

An Environmentally Beneficial Project

SUSTAINABLE REDEVELOPMENT

The City of South Lake Tahoe successfully attracted innovative solutions to improve the natural environment by redeveloping the built environment. Result is Bijou Park Creek Mixed-Use Commercial Project anchored by Whole Foods revitalizing Town Center

THREE YEARS,
COMMITTED VISION,
UNPARALLELED TENACITY,
AWESOME TEAMWORK

IT'S SIMPLY AMAZING WHAT A GREAT TEAM ACCOMPLISHES!

With a clear future vision, the
City negotiated with owner,
established a competitive
process to attract the best
designs, bought and resold the
property to developer requiring
reduction of fine sediments,
reduced TMDLs and
improvements to the Bijou Creek
Watershed.
